Benetta

I really dont know what to write to you...
All I can really do is tell you how I feel about you.
Benetta... I really have a deep feeling for you...
Is it love?! I think so... I can say that I love you
Benetta. You're the type of girl that I can really
understand... you're nice... sweet... FOXY!! and
you have the greatest personality that I have
ever encountered. You have all the tools that a
woman needs to get a man for good... As they
say in the song you're truly a BEKK HOUSE.
Benetta... I wish you were in CHAPEL HILL
things would truly be different. I love you in
a special way... Benetta I want to be with you
always...but.....

CHSBT '78

Benetta... I wish we could be together
when we wanted but we can't so lets
keep our love in the best way (in our hearts)
and keep in touch through the mail... Let's
try to see each other as much as possible
and always try to remember each other.
Benetta... I really LOVE you in the
deepest way... I want you to know that...
(I think you do) I want you to
always think of me and keep me in your
heart always. So stay cool... loose...
RING... Sweet and remember.

School—

A walk through the trees,

With countless paths to take,

And each way holds

A different style of beauty.

In a few years F. T. S. will be

Just a tall old Oak tree

We passed along our way—

A memory

Among millions.

Life is not a having
and a getting
But a being and a becoming.

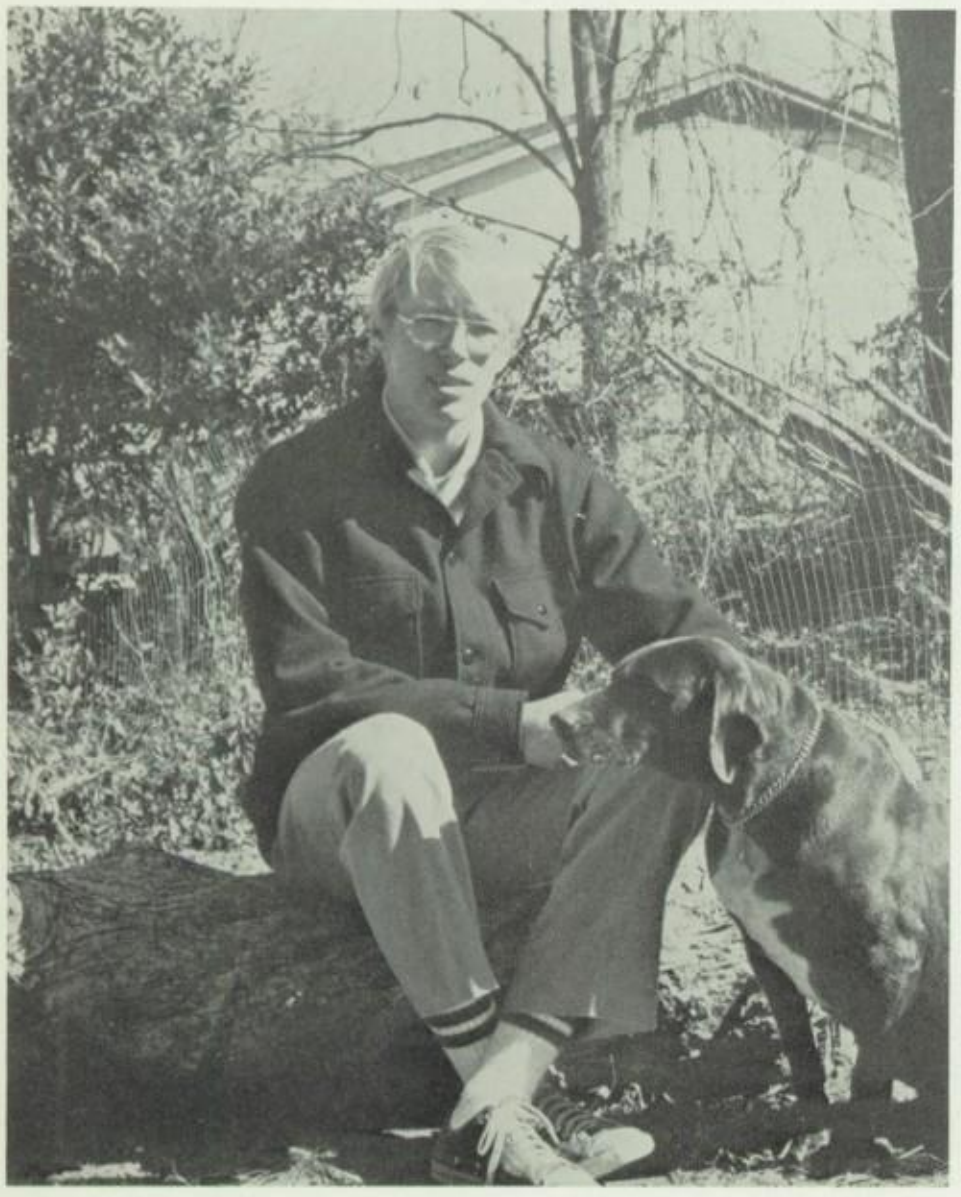
Morehead Nominees Honored



I burned my life that I might find
A passion wholly of the mind,
Thought divorced from eye and bone,
Ecstasy come to breath alone.
I broke my life to seek relief
From the flawed light of love and grief.
The Alchemist—Louise Bogan

I have spent three long years at FTS. These years have been very fulfilling to me. I believe that I have accomplished much both as a student and a person. Aside from the fact that I have participated in the AP program, I have been kept busy by serving as the Key Club president and the Editor of the LAFAMAC, and playing on the tennis team for three years. I have also been honored by receiving a Morehead nomination. Having been kept busy by all of these activities will be of great help to me as I take on the challenge of the United States Naval Academy at the beginning of the summer.

Robert T. Macmillan Jr.

"It is easy in the world to live after the world's opinion; it is easy in solitude to live after our own; but the great man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude."

—Ralph Waldo Emerson

My experiences here at FTS have molded me into a more independent and self-reliant person than the one who entered these doors three years ago. Working on the Miss FTS Contest and the Junior-Senior Prom as Junior Class President, serving as Editorials Editor for the BULLDOG, and being a part of the Key Club, Student Council, Honor Society, and French Club have added depth and variety to my high school studies, because in these situations one learns a different but equally vital lesson.

I have been fortunate enough to participate in other activities outside school including the B'nai B'rith Youth Organization, and the Fayetteville Cumberland County Youth Council. While serving as Senior Vice President of FCCYC and Treasurer of Youth Councils of North Carolina, I have taken advantage of the special friendships and experiences Youth Council offers. Also, my summer at the Governor's School has been perhaps the most valuable learning experience of the past twelve years.

During my senior year I was honored to be named a Morehead Scholarship Semifinalist and a National Merit Semifinalist, and to represent FTS in the Century III Leader's Program. This fall I will enter UNC at Chapel Hill where I will major in Political Science. After graduation I would like to attend law school to prepare for a career in law or journalism.

Salutatory of the Liberator

My three years at Terry Sanford have been very rewarding. I have enjoyed working with such groups as the Spanish and Latin Clubs, the Honor Society and the Math Club. My senior year I served as president of the Math Club. The experiences these clubs offered enabled me to become a National Merit Commended Student. My extracurricular activities have included the Bicentennial Commission, Youth Councils of North Carolina and especially the Fayetteville Cumberland County Youth Council. I plan to go into engineering and will attend either Georgia Institute of Technology or North Carolina State University.

Antoine de St. Exupery

My years at Terry Sanford have been very meaningful ones. I have really grown in the past three years and my experiences here have contributed greatly to this. I am lucky to have been taught by some fantastic teachers and a part of some interesting classes. The many worthwhile projects I've participated in and the close friendships I've formed have made me a better person. Through the volleyball team and LAFAMAC Staff I have learned to work with a group for a common goal, and the work wasn't always easy. I feel honored to have been a Marshal and a member of the Honor Society. My experiences outside of school have also enriched my life. There is nothing so awe-inspiring as scuba diving in the Florida Keys, nothing so meaningful as creating something with your hands, and nothing so amazing as reading French and really understanding it. I am very grateful for having been chosen a National Merit Semifinalist and to Terry Sanford for being such a part of me. I hope to attend Meredith College next year.

Ability To Achieve

If I cannot quote you word for word perhaps it is because I was listening not only to the words but to the feelings. Words like people should never be taken at face value.

Tim Tyson

As Terry Sanford's DAR Good Citizen, I feel that my participation in extracurricular school activities has been of more benefit to me than my service has been to the school. Through the BULLDOG, volleyball team, Tri-Hi-Y, Steering Committee, Miss FTS Contest, Honor Society, Intramural basketball, and others, I have enjoyed and grown through the privilege of working with so many nice people, faculty and students. It is through meeting deadlines, trying for a championship, transforming a gym into a ballroom, and simply spending time with people that beautiful relationships are created which are very fulfilling. These activities have contributed to the development of the person I am today. I plan to attend college and pursue a career in early childhood or special education.

Nancy Reichle

Being in love means nothing if the person you love doesn't love you.

I have spent three happy years at Terry Sanford, participating in Hi-Y, ROTC, band, football, and track. I played varsity football for three years and varsity track for two. My senior year I was selected to play in the Shrine Bowl football game, an honor not only attributed to me but to my coaches and parents as well. The proceeds of the Shrine Bowl game go to the crippled children's hospital in Greenville, and I was part of it. It's a wonderful feeling to know you helped others less fortunate. Also highlighting my senior year was my selection to the All-Conference football squad. For the past two years I have run in the State track meet, finishing fifth my Sophomore year, second and third in two races my Junior year, and this year I hope to return to FTS with a victory. This past summer I ran in the Junior Olympics and was undefeated in the 100 and 220 yard dashes. I was also chosen Amateur Athletic Union Athlete of the Year. I have received an athletic scholarship to East Carolina University for next year. I think the reason for my success in life is that I never stop trying to do something that is important to me or to someone who thinks it's for the best of me.

Levy, a National Achievement Semi-finalist? That's the question I asked myself and heard many others ask, but it was true. It seems as though I haven't done very much during three years but there are a few things worth mentioning. My sophomore year from day one seemed to be extended an hour, thanks to some people I'll always remember—Mrs. Mask, Mr. Pierce, and Mr. Warren—"Three the Hard Way." My junior year I became involved in my church. I was an usher, member of the junior church, and a member of the junior choir. At FTS, I am a senior and president of the Bus Club, a member of the Black History and Latin Clubs, and a stander in the Black History Chorus. Next year I plan to attend East Carolina and continue to enjoy myself.

Robert Levy

Tim Dunn represents FTS as a student council district officer.

Here, where all trouble seems
Dead winds' and spent waves riot
In doubtful dreams of dreams;
A sleepy world of streams.
Algernon Swinburne

After twelve years of three page essays, late-night cramming, and semester exams, I've finally come to a break in the road. Receiving recognition as a National Achievement Student has made the long way worthwhile. I must admit that although the last three years have been the hardest, they have been by far the best. Participating in the Black History, Spanish, and Math Clubs has taught me a lot about myself and others. The Friday nights spent marching with the band and freezing during halftime in a majorette uniform have definitely been chilling highlights of my life. Now, before going on to work for a B. S. in Biology, I want to relax and spend my summer in my favorite pastime—doing as little as possible.

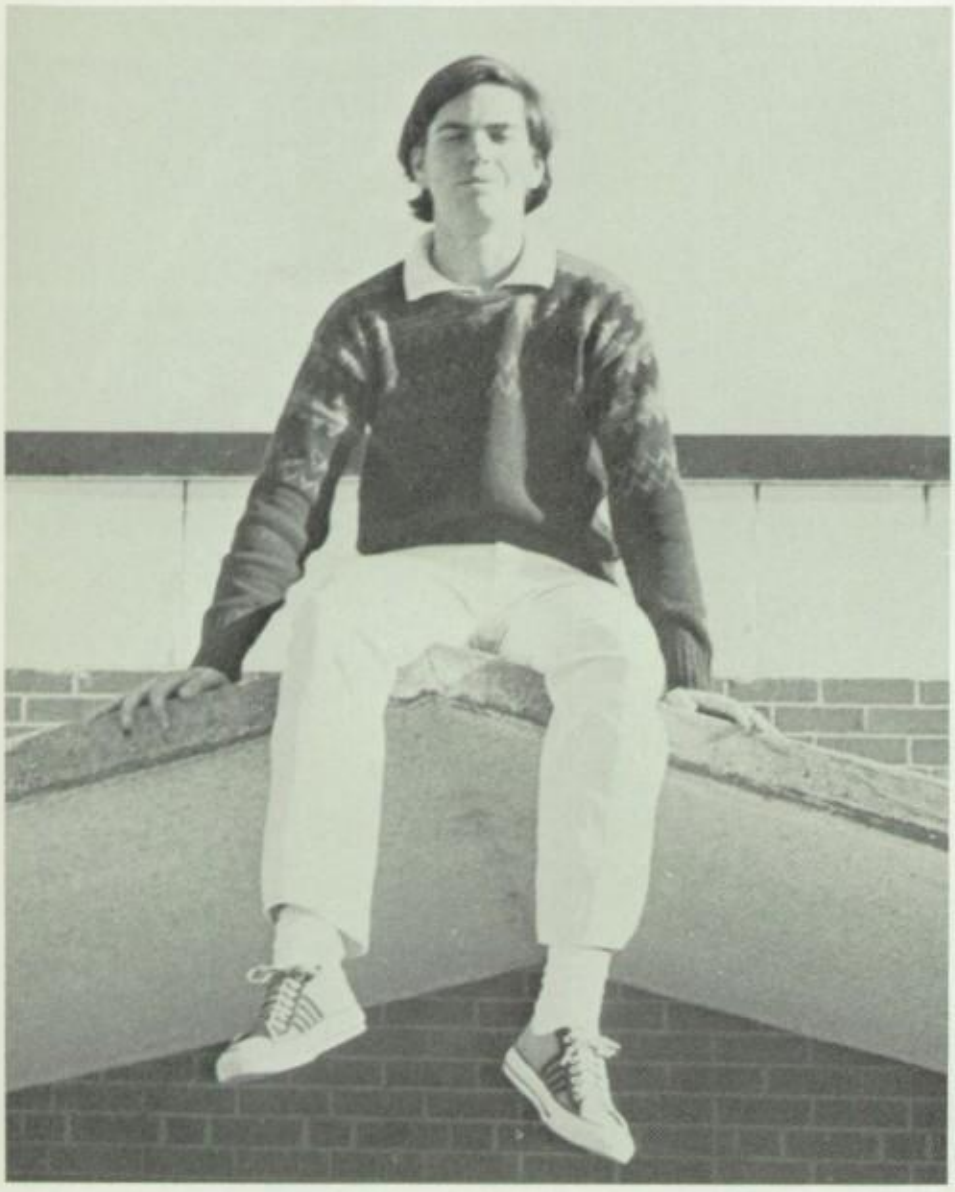
In Many Areas



"There is no need to sally forth, for it remains true that those things which make us human are, curiously enough, always close at hand. Resolve, then, that on this very ground . . . we have met the enemy, and not only may he be ours, he may be us."

Walt Kelly

Many have the impression that a National Merit Semifinalist should be slightly different than the average person. However, I have found that the same basic hopes and desires motivate me as shape the lives of others. In school I enjoy learning but not working hard to learn. I have participated in a few extracurricular activities, such as journalism and political clubs. Yet I have not held high ranking positions in any organization. On the whole I feel different only in the sense that each person is unique and irreproducible. I am a human being, which is the most anyone can be.

A Taste Of Honor

The new Marshals review their first assignment.

Each year the Senior Class chooses fifteen outstanding seniors to serve as Marshals. Their selection is based on character, achievement, and ability. To be a Marshal requires sacrificing much time and energy for the success of various school projects, Commencement exercises being the most important. Other projects include the school play, the Miss FTS Pageant, and Awards Day ceremonies. Under the guidance of Mr. and Mrs. Warren the Marshals honorably serve their school.

Mrs. Warren advises new Marshals of their duties and responsibilities.

Special Moments

Homecoming. It happens one week out of the year. One day we come grubby; the next we take-off on "Happy Days"; and then we don our school colors.

When we find time between the change of clothes, we throw water balloons at a wet Douglas Byrd Eagle, guess at how much candy there is in a jar, buy links for a spirit chain, and try to associate the right football player with the right baby face.

Then there's always things to see: A super pep rally complete with pies to hurl at unlucky tricycle racers and cheerleading midgets; A super cavalcade complete with super fans; And best of all, a super game complete with helium balloons, a great half-time show, and in the end a bunch of de-feathered Eagles.

Some important people to remember: Avis Cain, our 1976 Homecoming Queen and her court, Deborah Johnson and Malinda Hutchinson; our terrific cheer-leaders, who sacrificed their time and money for their school; a fired-up group of Bulldogs that plucked Eagle feathers for a solid 48 minutes; and ourselves.

That was our Homecoming. We deserved all its success. If, by some unexplainable reason you happened to miss it all, ask a football player. He'll tell you who was number 1 that week.

1975-1976 Miss FTS, Margaret Beck, crowns the new Miss FTS, Pam Benson.

Backstage Activities

The end of the 1976 Miss FTS Contest was for one a beginning. Pam Benson opened a year of glorious representation of Terry Sanford High School and a lifetime of fond memories for herself. She had survived two nights of tremendous pressure, her every move analyzed by scrupulous judges and seemingly more critical audience. Now she could relax and enjoy.

For others, the contest was also special. Fran Pelone, Sandy Lewis, Capricia Matthews, Claudia Jiamachello, Sharmon Simmons, and Mary Beck all survived too. Also, Sharon Albert was honored as Miss Congeniality, an award that has a special meaning as it is decided among the contestants themselves. Each will feel a special warmth about that night and its events, enough warmth to last a lifetime.

Still, when it was over, there were others that had no reward other than personal satisfaction for participating. They gave themselves to their school those nights, and although they hoped for special recognition, they didn't complain when it wasn't given. Instead, they hugged and cried on those that received it. Their names are only deleted for lack of space, not lack of gratitude.

Another Miss FTS contest ended. There were few winners, but best of all, no losers.

. . . and what could be more surprising than to learn you are the next Miss FTS?!!??

Announcers Danny McKeithan, Dan Barker, Robby McNeill share an anxious moment.

Benetta Walker leaves Mrs. Blackmon holding the box.

Bulldogs Finish

Michael Okita completes double play against E. E. Smith.

Baseball players of Coach McDaniel finished their season with an 8-8 won-lost record including two victories over Reid Ross and a split with E. E. Smith. Leading the Bulldogs with his all around play was Mitch Hall. The mainstay of the pitching staff was Mike Lothespeich. David Cavano was the top hitter and John McPhaul was tough in the field as well as on the basepaths.

Failing to maintain their state title in golf, the men golfers came in second place behind Hoggard in their divisional race. Taking up most of the weight for the seniors were Chris Newman and David Butler. The juniors were Stephen Wheeler, Steve Holbrook and David Ciampa. The sophomores included David Adams and Robyn Byrd. Four of our golfers, Chris Newman, David Butler, David Adams and David Ciampa, went on to the sectionals, with Newman qualifying for the state tournament.

Track Team Captures

Otis Melvin edges out Tony Burney in the 100-yard dash.

"We're No. 1!" That was the cry last year as the amazing track men under the leadership of Coach Simpson and Coach McFerren captured the state championship. Representing the Bulldogs in the state competition were Otis Melvin, Tony Burney, and Doug Myers. Otis Melvin electrified the crowd when he streaked to a first place finish in both the 100- and 200-yard dash. He tied the state record in the 220-yard dash. Tony Burney was close on Melvin's heels and finished second in both events. Doug Myers finished sixth in the state in the mile run. At the season's end, Otis Melvin received the Most Valuable Player award with pole-vaulter Timmy Johnson collecting the Coach's award. Larry McDonald, who participated in the 440-yard dash and the long jump, was given the Most Improved Player award.

Girls' Track Ends Tough Season

In its second year of competition, the girls' track team finished without a single victory for a very disappointing season. The team, coached by Miss Irene Hondros, was strong in running events but came up short in the field events. Mary Chatman, who lead the team in points scored, participated in the 100- and 220-yard dash, the long jump, and served as anchor for the 880-relay team. Chatman placed third in sectionals competition and at the year's end received the Most Valuable Player award. Muriel Evans, who participated in the 440-yard dash and the 880-relay was awarded the Most Improved Player with distance runner Kate Hogan receiving the Coach's award.

Softball Team Exhibits 6–10 Record

Although somewhat improved, the girls' softball team ended the season with a lackluster 6-10 record. The girls, however, were able to capture the city championship by defeating Reid Ross twice and E. E. Smith twice during the season's play. The Most Valuable Player for the girls was Mary Carnegie. The Coach's award went to Patricia Monroe with Julie Ryan receiving the Most Improved Player award.

Having lost only seven players this year, Coach Chris Cherry is looking for a strong and experienced team in what will hopefully be a more successful year for the softball team.

Netmen Place

Bulldog netmen experienced a great deal of success last spring as they compiled a 14-2 record; good enough for second place in their division. Hank Avants, David Bock, Robin MacMillan, and Eddie Walters represented the Bulldogs in the sectionals for singles. Jay Williams and Eric Fredrickson combined to make up the doubles team in the sectionals. Hank Avants finished third in the state for singles.

At the annual Athletic Banquet, Hank Avants received the Most Valuable Player Award, David Bock earned the Coach's Award, and Eddie Walters acquired the Most Improved Player Award.

Although the Bulldogs lost Tri-Captains Hank Avants, David Bock, and Jay Williams plus four other players because of graduation, Coach Bowman has seven netmen returning this spring. Leading the returnees are Robin MacMillan, Peter Jordan, Ben Hatcher, and Phillip Harris.

Harriers Run to an 8–4 Season

Coach Bowman's harriers compiled a winning record of 8 wins and 4 losses. Leading the Bulldog runners all season were Kent Killen and Anthony Shaw. These two along with David Bathurst, Wesley Carroll, Arnold Houston, Alonzo Monterio, and Wayne Nobles went on to compete in the sectionals. With only five runners graduating, the outlook for next year is good for the Cross-Country men.

Volleyball Completes Winning Season

The second season of competition proved successful for the olleyball ladies under the direction of Coach Irene Hondros. The Varisty squad played well enough to finish second in the conference vith a record of 12-4. Donna Brock led the Bulldog defense with Barbara Galbreath controlling the action at the net. The Junior Varsity girls also played well and finished the year with a winning 0-6 record. Coach Hondros is looking for a strong and more xperienced team to return next year.

The Girls' Tennis Team came through this year in fine style and maintained the tradition of good tennis at Terry Sanford. Finishing with a 14-2 record the ladies captured second place in the Conference. Through excellent play, Mary Rose and Alice Cavin were named to the All-Conference team. Representing Terry Sanford in sectional competition were Mary Rose, Alice Cavin, Lynn Bryan, and Susan Stanley in singles with Betty Rosenbaum and Kathy Robinson pairing up for doubles. Coach Chris Cherry was very pleased with this year's team and is looking forward to another successful season next year.

Alice Cavin follows through on a strong backhand.

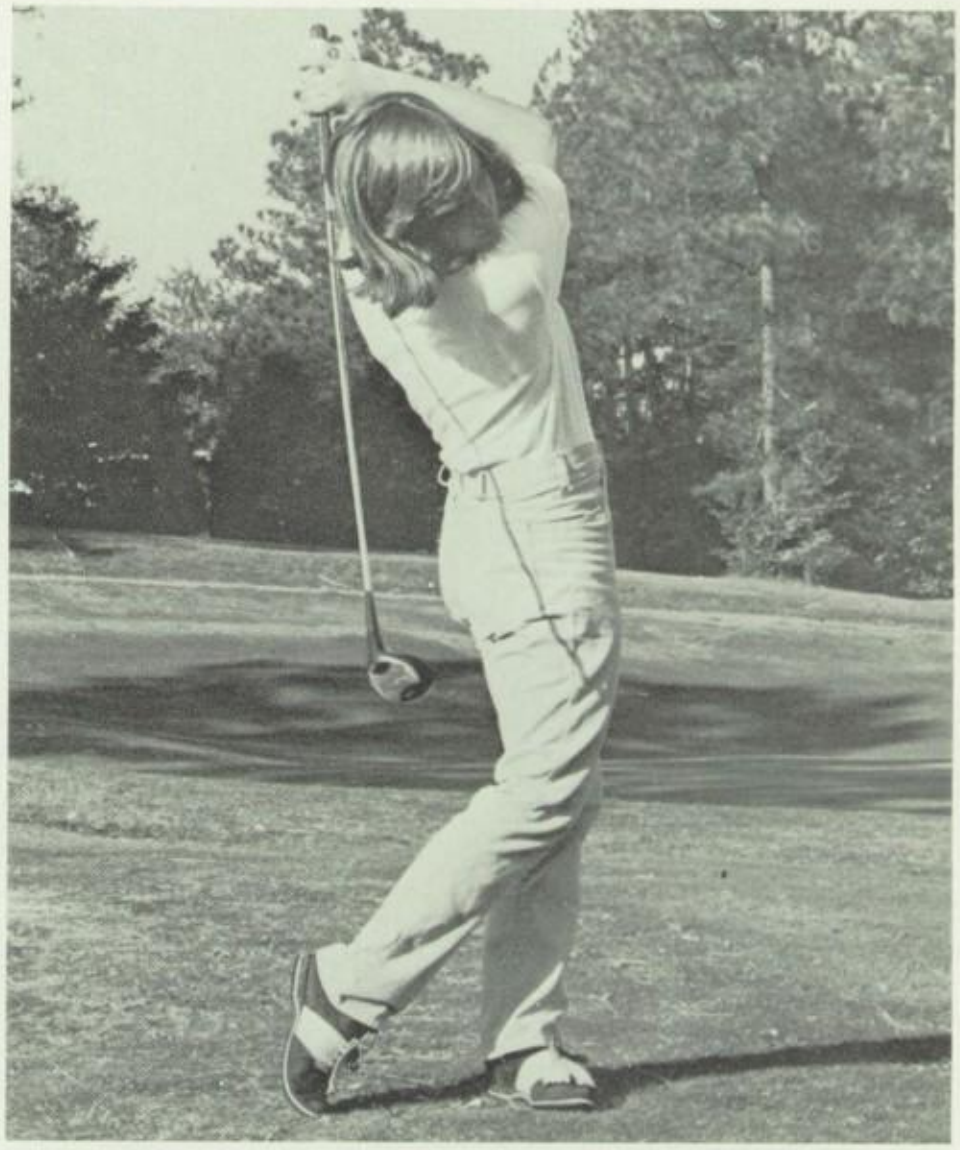
Lady Golfers Finish Second



Kathy Lothspeich displays excellent follow through on drive.

The lady golfer's were runners-up in their conference this year. Three golfer's competed individually in the state tournament. Charlie Lanius came in fifth with Kathy Lothspeich finishing close behind in sixth place. Mary Acker completed a very successful state showing by placing tenth. Kathy Lothspeich and Jan Lanus ended their high school golfing careers this year. Mary Acker, Margaret Beck, and Dianne Fischer lead the returnees next year. These girls should form a strong nucleus for the team next year.

Bulldogs Finish

McCoy and Abbott take a break from the action.

With a good nucleus of starters returning the Bulldogs compiled a record of 5-5. The turning point of the season was a controversial loss to Reid Ross. Highlighting the year were victories over E. E. Smith and Seventy First. The Bulldog offense provided much excitement throughout the year and several players received individual honors. Named to the All-Conference Team were: Tony Burney—running back, Reggie Abbott—center, George Pantelakous—defensive end, Steve Carlin—punter, and Robby McCoy—offensive guard.

Coach Fred McDaniel

The Junior Varsity Football Team lost its first game, but came back strong with three victories in a row. Under the leadership of Coach McDaniel, the Baby Bulldogs experienced one of their most successful seasons in recent years. Bobby Spicer, Jeff Gainous, Mark Robinson, Steve Lothspeich, Boyd Holmes, Phillip Harris, Brad Hurley and Napolean Fisher seem capable of helping the varsity for the next two years.

Although not the powerhouse of recent years, the 1976-77 Varsity Basketball Team remained a threat to any opponent on the court. With only three seniors on the squad, the team was admittedly young. Deno Tyson, Mike Stapleton, and junior Keith Turriff were the only veterans from the previous year's varsity action. The first-year players matured quickly, however, and provided Coach Len Maness with a strong bench. Highlights of the season included a 3-point victory over a strong South View squad and a 12-point victory over cross-town rival, Reid Ross. With only the loss of three players, Coach Maness is looking for a strong team to be back next season.

These projects were in addition to the fine halftime shows produced by the Band.

LaFamac Staff

During sixth period and for hours after school, the LaFamac staff works diligently planning layouts, taking pictures, writing copy to fit the line, and thinking of original headlines. Everything seems normal until the DEADLINE date rapidly sneaks up from nowhere. The advice and leadership of Mrs. Helen Mask inspires the staff to endure these frantic times enabling the LaFamac to be a success.

At last, when the LaFamac has been sent to the publisher the staff can relax knowing they have done their best.

TERRY SANFORD
SENIOR HIGH SCHOOL

Reflections

We began our high school days by sitting in the gym for a full week of orientation which acquainted us with all the rules and regulations that might make our high school days easier to live with. But not even the tedious process of orientation could dull the thrill of finally being in high school. Being a high school student made you sophisticated and mature, or at least that's what we believed. But that was before we stumbled through the halls looking for our classes, hopelessly lost and learning that we were only scared and self-conscious Sophomores. After the first two weeks of school, the days more or less melted together and the reality of high school began.

Our Junior year was a hopeful year, one of great expectation. Surrounded by old friends and reassured by the familiarity of the regular routine at Terry Sanford, we felt bold and confident. This confidence helped us to excel in all our projects. Producing a successful Miss FTS Contest and Junior-Senior Prom highlighted our second year at Terry Sanford. These activities consumed our time, making the days race forward. Before we realized it, our Junior year had ended bringing to a close a year of great accomplishments.

Being Seniors paid for all the embarrassing and anxious moments we spent as Sophomores and Juniors. We gained the security we lacked, the respect we worked for, and the special privileges that made it all worthwhile. We looked forward to graduation with joy and anticipation, in gaining our freedom, yet with sadness in leaving friends and memories behind us. After graduation we'll all be going in different directions, testing the skills we have learned in the past three years and experiencing life for ourselves. For some it has been too long, for others, much too short, but we will always remember dear old FTS.

FACULTY AND ADMINISTRATION

A teacher built a temple

With loving and infinite care,

Planning each arch with patience,

Laying each stone with prayer.

None praised the unceasing efforts,

None knew of the wondrous plan,

For the temple the teacher built

Was unseen by the eyes of man.

Dr. Abbott And Assistants

Serving as an aid in directing and supervising the affairs of the Fayetteville City Schools Dr. Max Abbott, Superintendent of Schools, and his assistants have served the schools both faithfully and skillfully. Their aim—to broaden the field of education by preparing students to become better leaders of tomorrow—has been conscientiously followed and carried out. Dr. Abbott, and five assistant superintendents and the members of the school board meet monthly to moniter school policy and make new policy decisions when needed.

In the fall of 1977, two new Middle Schools (grades 6-8) will open: one behind the Fayetteville Mall and the other on Raleigh Road. The Senior High Schools will expand to include grades 9-12.

DR. ABBOTT—Superintendent of City Schools

Members of the School Board contemplate future plans.

Mr. Bowden earned his master's degree at UNC after graduating from Elon ollege.

Principal Oversees School Life

Schools function properly only through efficient leadership. Mr. John T. Sasser has provided such leadership at Terry Sanford for the past sixteen years. The academic superiority he has encouraged is reflected in the number of students who go to college each year and by those who continue to excel in various fields of education and business.

Mr. Sasser relies on good judgement and a sense of fairness to help him maintain understanding and cooperation between teachers and students. Not only does he guide our academic life, but also our extra-curricular activities. He works closely with the student body on school projects, lends support to the sports program, and encourages students to become active in the extra-curricular activities. He is present at all school oriented activities and exemplifies the spirit of FTS.

Mr. Sasser talks to students during a morning assembly.

Miss Cherry presents Mr. Sasser with a gift during the faculty tea.

English Inspires Learning

enny Daniels and Rick Mullin act out a scene from Chaucer's CANTERBURY ALES.

In addition to offering fundamental study of grammar and composition, English classes concentrate on both English and American literature. The variety of English courses offer many opportunities of self-expression through dramatic skits, characterizations, singing, and the artistic creation of characters.

The sophomore class concentrates on the major literary forms—short stories, poetry, novels, and plays. Juniors begin their English course with a study on American poets and authors including Arthur Miller, Ernest Hemingway, Mark Twain, and Herman Melville. They are required to read an American novel and write a term paper. Seniors have the option to take one of three courses. Straight senior English involves a chronological survey of English literature. Humanities combines all the social elements of a man's life and primarily emphasizes the search for a good life. Talented Students Receive Honors

In May of each year, FTS students gather in the gymnasium for the awards day assembly. Here, outstanding students are acknowledged for the various accomplishments that they have earned throughout the year. Awards, scholarships, and medals are distributed to the commended individuals in recognition of their success. Also, the Valedictorian and the Salutatorian are announced and are presented their awards. Culminating the assembly's activities is the awarding of the Service and Challenge Cups.

We came.
We learned.
We laughed,
and gave a part
of ourselves to
be remembered . . .
When we were gone.

Benetta,

Words can't express the real meaning of our closeness in just these few days. The word friend has more meaning now—than ever before. I will never forget your warmth you have shown and your sense of humor. You are special and should be congulated for being your self. Sometime it's hard to get to meet different part of north Carolina and become friends in a few minute, hours, days.

Benetta you look as though you have a good head on your shoulder and I like people who know where he's going. You have the Most Talentive Beautiful Voice I have heard. The sad thing about workshop is when everyone is leaving and you don't know who or when you may see these students again. Whenever I look down memory lane I will alway have fond memory of Mars Hill even the FOOD. I really enjoy you singing "The Way We Were," it was beautiful. Also I will remember all of the good time we had in Council B. Because We may never pass this way AGAIN. But we shall meet one day on memory lanes.

I know you will do a great job in President, you are very active person. I'm determine to make the best of my ability to hold up my Council:

I will never forget all the fond memory I have of you and many other, but one name stick out into my mind is Benetta Wilkes. As you travel the road of life, may God be with you, till we meet again.

P.S. Here my address:

Love always,

Ap Brown

Secretary,
This is a rare
privilege to sign the
yearbook of a girl that is
very talented and dear to my heart.
Words can't express the quality that I see
in you. You are a young woman that will
go far in life and I'm glad I had a chance to play a
small part in it. I am a man of short words and I don't have
to write a whole lot to tell you three little words: I love you
Bentts and that comes from verthex. May God always bless you.
Don't ever turn around and please don't forget me.

Love you always
